AboutUs

Zain international is a reputed name in the industry manufacturing, exporting and supplying a quality assortment of Industrial Safety Shoes. Under their own Brand Name- "Zain Safety" Located in Kanpur, Uttar Pradesh.

Zain International is a sister concern company of Yaqoob Tanner's. We are one of the leading Manufacturers and Exporters of Finished Leather and Leather Safety Shoe Uppers and safety shoes in worldwide. Our company was established in 1997 under the leadership of Mr. Mohd. Qaiyum (CEO). Presently we are having monthly production capacity of 0.5 million sq.ft. Of finished leather and of about 75,000 Pairs /Month safety uppers and Safety Shoes 1, 00,000 Pairs /Month.

The finished leather is produced in several different articles and colors in Buffalo at our tannery with most modern imported equipments. Our leather is suitable for, shoes and leather goods. We have qualified leather technicians who can always develop new finishes as required by the customers.

If your work type is tough and you need to work in the outdoors or in an industrial environment with sharp and falling objects everywhere, then safety shoes are a must have for you. Safety at work is very important and ensuring that all your body parts including the feet are protected. Safety Shoes are an investment for your future. Our entire range of Safety shoes and boots are made of 100%genuine leather upper and polyurethane soles that make these shoes durable and with features like puncture proof, anti skid and oil resistant. Also available are shoes with steel toe or fibre toe ensuring complete protection to your foot. Being lightweight these shoes can be worn on a daily basis while riding a motorbike or driving a car as well.

Zain Safety has been at the cutting edge of the safety footwear industry for more than twenty years and we keep on having a spring in our progression.

Our mission is to provide 100% genuine products and quality services to the customers to fulfil their requirements and become a reliable and trusted brand for all their business needs. We do this by helping buyers find products and suppliers quickly and efficiently.

Since 1997 customers like you have come to us again and again because of the high quality boots that we offer. Our number one priority is to keep you safe!

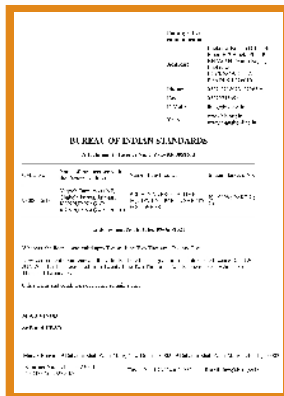

The company rests its pride on an experienced team that is well versed with every aspect of production of Safety Shoes. With their vast experience, we have been successfully catering to the various industries as per their requirements. They always keep themselves abreast with ever changing market requirements to meet the prevailing needs.
